## NOTICE OF PROPOSED RULE MAKING

Adopted: February 9, 1993; Released: March 5, 1993

Comment Date: April 26, 1993

Reply Comment Date: May 11, 1993

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Progressive Communications, Inc. ("petitioner"), permittee of Channel 269A, Temple, Texas, requesting the substitution of Channel 269C3 for Channel 269A and modification of petitioner's authorization to specify operation on the higher powered channel. Petitioner states that it will apply for Channel 269C3, if allotted.

2. We believe the public interest would be served by proposing the substitution of Channel 269C3 for Channel 269A at Temple, since it could provide the community with an additional wide coverage area FM service. Channel 269C3 can be allotted to Temple in compliance with the Commission's minimum distance separation requirements with a site restriction of 20.1 kilometers (12.5 miles) north-west to avoid a short-spacing to vacant but applied for Channel 270A, Lometa, Texas.<sup>1</sup> We also note that Channel 269C3 is short-spaced to Station KOKE-FM, Channel 269A, Giddings, Texas. However, Station KOKE-FM was ordered to Channel 268C2 in MM Docket No. 86-328. See 2 FCC Rcd 1940 (1987). Therefore, final licensing for Channel 269C3 at Temple may be delayed until Station KOKE-FM is licensed on Channel 268C2 at the site specified in its construction permit. As requested, we also propose to modify petitioner's authorization for Channel 269A at Temple to specify operation on Channel 269C3. In accordance with Section 1.420(g) of the Commission's Rules, we will not accept competing expressions of interest in use of the channel at Temple or require the petitioner to demonstrate the availability of an additional equivalent class channel for use by such parties.

3. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. IT IS ORDERED. That the Secretary of the Commission SHALL SEND a copy of this Notice by Certified Mail, Receipt Requested, to Radio Lee County, P.O. Box 387, Giddings, Texas 78942 (licensee of Station KOKE-FM).

6. Interested parties may file comments on or before April 26, 1993, and reply comments on or before May 11, 1993, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

(Counsel for petitioner)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served
